Quality vs. Quantity.

Hard muscles and strong body do not depend on the quantity of food you eat, but on its perfect digestion and proper assimilation. When you take Kodol Dyspepsia Cure your system gets all the nourishment out of all the food you eat. It digests what you eat regardless of the condition of the stomach and conveys the nutrient properties to the blood and tissues. This builds up and strengthens the entire system. Kodol cures Indigestion, Dyspepsia, Belching, Sour Stomach, Weak Heart, etc. Kodol Dyspepsia Cure for what is sometimes called America's national disease—Dyspepsia—is destined to eventually work a wonderful and lasting benefit to sufferers from this distressing and mind harassing condition. Sold by M. Rose.

Our advertisements have crowded out a great deal of reading matter this week, this however we are sorry to say will not always be the case. We regret it very much for if such were the case every week we would soon buy us a larger press and print a much larger paper which we would like so well to be able to do.

The readers of this paper will be pleased to learn that their is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for testimonials.

The question has been asked by one inclined to fun-making: "What has become of the boy in patches?" Why, bless your soul he is on the farm barefooted hopping clods sixteen hours a day. He will come to town after while to run the banks and the stores and the successful lawyers and preachers and doctors. Don't worry about the boy in patches. It's the slick looking store clothed, nicely groomed lad you want to look after. He's the fellow that's going to drop through a crack in the sidewalk out of sight some of these days.

One of the interesting sights to Kentuckians in Kansas is the gang plow at work. These plows are drawn by traction engines, and turn seven furrows fifteen inches wide each at a time. This is indeed a spectacle to those who are used to turning one little eight-inch furrow at a time and getting hit in the stomach every few feet with a plow handle when the plow hits a stone or a root.

Statistics prove that while the farmers compose 50 per cent. of our population, they commit only 2 per cent. of the crime. A nice showing for the most honorable vocation of life.

BEAUTIFY YOUR HOME WITH KINLOCH PAINT

READY TO MIX, NOT READY MIXED

Important Memorandum—The painter is the most important factor in painting. A job completed "done by a good painter with the best quality of paint, costing no more than (\$40.00 labor, \$10.00 paint) will last ten years. The same paint applied by a dealer (\$30.00 labor, \$30.00 paint) will last only two years. Thus the "per-year-cost" of the good painter's job is \$12.00—the poor painter's \$50.00.

A small investment in paint adds greatly to the value and beauty of your property and makes you a "good neighbor" by making a good neighborhood. Good painting is one of the best investments and pays big returns in improved values. It's a saving, not an expense. But when you paint—buy only

Kinloch HOUSE PAINT

There's one indisputable reason why, a reason every honest painter will acknowledge—"The Oil is the Life of Paint," and the sure way to get good oil is to buy it fresh and pure from the dealer's barrel, not from the ready-mixed paint can. The paint that is ready to mix with linseed oil, gallon for gallon, is KINLOCH PAINT, and we recommend its use for every good reason we know.

I was all run down from nervousness and overwork and had to resign my position and take a rest. I found that I was not gaining my strength and health as fast as I could wish, and as your Wine of Cardui was recommended as such a good medicine for the ills of our sex, I bought a bottle and began using it. I was satisfied with the results from the use of the first bottle, and took three more and then found I was restored to good health and strength and able to take up my work with renewed vigor. I consider it a fine tonic and excellent for worn-out, nervous condition, and am pleased to endorse it.
